(u) *Notice to participants.* A notice issued by CCC by public press release which serves one or more of the following functions: to remind participants of the requirements of the program; to clarify the program requirements contained in these regulations in a manner which is not inconsistent with the regulations; to instruct exporters to provide additional information in applications for payment guarantees under specific country and/or commodity allocations; and to supplement the provisions of a payment guarantee, in a manner not inconsistent with these regulations, before the exporter's application for such payment guarantee is approved.

(v) *Port value.* (1) Where CCC announces coverage on a FAS or FOB basis and:

(i) Where the commodity is sold on a FAS or FOB basis, U.S. point of export, the value, FAS or FOB basis, U.S. point of export, of the export sale, including the upward tolerance, if any, as provided by the export sales contract, reduced by the value of any discounts or allowances granted to the importer in connection with such sale; or

(ii) Where the commodity was sold on a CFR or CIF basis, point of entry, the value of the export sale, FAS or FOB, point of export, including the upward tolerance, if any, as provided by the export sales contract, is measured by the CFR or CIF value of the agricultural commodity less the value of ocean freight and, in the case of CIF sales, less the value of marine and war risk insurance, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity; or

(2) Where CCC announces coverage on a CFR or CIF basis and where the commodity was sold on CFR or CIF basis, point of entry, the total value of the export sale, CFR or CIF basis, point of entry, including the upward tolerance, if any, as provided by the export sales contract, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity.

(3) When a CFR or CIF commodity export sale involves the performance of non-freight services to be performed outside the United States (e.g., services such as bagging bulk cargo), which are not normally included in ocean freight contracts, the value of such services and any related materials not exported from the U.S. with the commodity must also be deducted from the CFR or CIF sales price in determining the port value.

(w) *Program announcement.* An announcement issued by CCC which provides information on specific country and commodity allocations and may identify eligible agricultural commodities and countries, length of credit periods which may be covered, specify dollar limitations for CCC exposure in particular countries, and include other information and requirements.

The U.S. financial institution is entitled to such payments because it has financed the obligation arising under such letter of credit.
